Professional Component - Coordinated Program in Dietetics

Year 3 – First Semester		Year 3 – Second Semester		Summer Session	
N&D 325 Nutrition Through the Life Cycle	3	N&D 380 Food Service Production and Management	3	N&D 498 Supervised Practice in Food Service Management	4
N&D 344 Nutrition Education & Counseling	3	N&D 441 Nutritional Biochemistry	4	MED 205 Medical Terminology	1
N&D 345 Community Nutrition	3	N&D 498 – Supervised Practice in Food Production	2		
N&D 494 Research in Nutrition & Dietetics	1	N&D 498 – Supervised Practice in Community Nutrition	2		
N&D 498 – Supervised Practice in Counseling	1	PPT 315 Human Pharmacology	3		
Undergraduate Statistics	3				
TOTAL:	14	TOTAL:	14	TOTAL:	5

Year 4 – First Semester		Year 4 – Second Semester		Graduation with B.S. in Dietetics Year 4 – Second/Spring Semester
N&D 350 Medical Nutrition Therapy I	3	N&D 488 Foundations of Dietetic Practice	3	
N&D 450 Medical Nutrition Therapy II	3	N&D 498 Senior Supervised Practice in Dietetics	12	
N&D 498 Supervised Practice in MNT	7			
N&D 480 Inter-professional Health Care	1			
TOTAL:	14	TOTAL:	15	

Registration exam eligibility-requirements for registered dietitian nutritionists (RDs/RDNs) are changing. Current and incoming students who successfully complete the Coordinated Program in Dietetics at UND will be exam-eligible upon completion of their Bachelor of Science in Dietetics degree through 2023. Effective January 1, 2024, a Master's degree will be required to be eligible to take the Commission on Dietetic Registration (CDR) national exam for dietitians. The Department of Nutrition & Dietetics is in the process of finalizing a plan to ensure a direct educational path for the credentialing of future dietitians with a Master's degree at UND beginning with students enrolling in August 2021, pending ACEND accreditation approval. For additional information about the changing requirements visit <https://www.cdrnet.org/certifications/registration-eligibility-requirements-for-dietitians>.
