1. Registered Nurses (RNs) applying to the Undergraduate Nursing Program must have a current license in good standing.
2. All RN students must provide proof of current unencumbered licensure to the College of Nursing and Professional Disciplines (CNPD) upon admission and each year during the verification process. .
3. It is the student's responsibility to inform the CNPD of any change in the status of her/his license by submitting a copy of the Board Order to the Director of the Office of Student Services. Those students who do not will be subject to disciplinary action.
4. Should an individual's RN license become encumbered, suspended, or revoked while enrolled in the Nursing Program, that student may be barred from clinical nursing courses contingent upon the nature of the encumbrance and CNPD resources to supervise these students.
5. The Director of the Office of Student Services will inform the Undergraduate Department Chairperson of the change in license status of the student. The Department Chairperson will determine, in consultation with the Dean and appropriate faculty, whether disciplinary action will be taken.
