Policy Name: Transfer of Nursing Courses
Reviewed by: Nursing Faculty
Last Review Date: 01/19/2024

Students may request a review of prior completed nursing courses to be considered for transfer into the appropriate (graduate or undergraduate) nursing program. The information provided by the student will be reviewed by the nursing faculty who is currently teaching the course most similar to the course submitted for transfer consideration.. The faculty will list their recommendation to either accept or deny the transfer request. The Department Chair will make the final decision to approve or deny the request.
